Company Profile

High Quality Enclosure One-stop Service

SZOMK provides high quality enclosure one-stop service, including design, mold, and production. We have a professional design team, a 1000m² mold factory, and a production base. Our products are widely used in various fields, such as medical, industrial, and scientific research. We have a rich experience in providing one-stop service for our customers. Our products are of high quality and reliable performance. We are committed to providing our customers with the best service and products.
