A photograph of an open cardboard box containing three items. On the left is a white electronic device with a screen and a keypad. In the center is a black device wrapped in a dark, patterned material. On the right is a white rectangular object. All items are surrounded by bubble wrap and secured with clear tape.

An open cardboard box is shown from a top-down perspective. The interior of the box is lined with brown cardboard. Three items are visible, each wrapped in clear bubble wrap. From left to right, the items are: a yellow rectangular object, a dark rectangular object, and a white rectangular object. The bubble wrap is crinkled and appears to be cushioning the items. The box is placed on a light-colored surface.
