Technical drawing of a rectangular metal frame assembly, showing multiple views and dimensions:

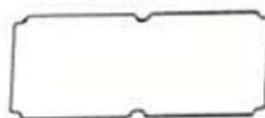

- Top View (Top Left):** Dimensions: 161.68 (width), 90.74 (height). Shows a central dashed line and four circular holes at the corners.
- Side View (Top Middle):** Dimensions: 18 (width), 48 (height). Shows a cross-section of the frame.
- Bottom View (Top Right):** Dimensions: 160.71 (width), 90.74 (height). Shows a complex arrangement of holes and a central dashed line.
- Front View (Middle Left):** Dimensions: 160.19 (width), 90.74 (height). Shows a cross-section of the frame with internal components.
- Bottom View (Bottom Left):** Dimensions: 160.19 (width), 90.74 (height). Shows a top-down view of the frame with a central dashed line and four circular holes.
- Isometric View (Bottom Middle):** Shows a 3D perspective of the frame assembly with numbered callouts (1-7) indicating specific components.
- Front View (Bottom Right):** Dimensions: 166 (width), 90.91 (height). Shows a top-down view of the frame with a central dashed line and four circular holes.

Epithecra (1PCS)
Material:ABS
Color:Light Grey(FS20412)

Hypotheca (1PCS)
Material:ABS
Color:Light Grey(FS20412)

Gasket (1PCS)
Material:Rubber
Size:113*113*1.8 mm

Copper Nut(6PCS)
Material:Copper
Standard:M4*10
Color:Copper

Grub Screw(6PCS)
Material:Stainless Steel
Standard:M4*25

Screw Lid(6PCS)
Material:ABS
Color:Light Grey(FS20412)

Self-Tapping Screw(4PCS)
Material:Iron
Standard:M4*30

Copper Nut(4PCS)
Material:M4*5
Color:Copper
