We can do customization

- PVC label
- Silkscreen
- Laser engraving
- Sticker
- Silicone
- Color
- Cutout
- Mould
- Acrylic plate

The central graphic is a circular hub with the text "We can do customization" in the center. Surrounding this hub are ten different manufacturing processes, each with a representative image: PVC label (a black label with white text and a CE mark), Silkscreen (a metal PCB with green circuit patterns), Laser engraving (a metal plate with "NEO Station NS-120" engraved on it), Sticker (a blue rectangular sticker with a logo), Silicone (a blue silicone phone case), Color (a collection of small, colorful plastic pieces), Cutout (a red plastic case with a circular cutout), Mould (two metal injection moulding dies), Acrylic plate (a blue acrylic plate with a pink square), and Laser engraving (a green card with a logo). Below this central graphic are four rounded rectangular boxes showing various custom products: 1) A white handheld device with a screen and a yellow strap. 2) A white handheld device with a screen and a yellow strap. 3) Two white handheld devices with orange accents. 4) A hand holding a blue and black handheld device.
