We are happy to offer you:

1. Perforation, perforation, customized designs etc.
2. Cutout, screen printing, laser engraving, stickers, member keyboard.
3. Short lead times, typically 3-5 days after payment (based on number)
4. For a timely response to your request.

applications:

It is widely used in electronics, instrumentation, automation, communication power supply, student design, amplifiers, healthcare equipment, tests and measurements, industrial control, peripherals and interfaces, switch

box.

ABS plastic case packaging:

1. Industrial packing of poly bag.
2. Then of standard export carton.
3. As customer's request.

Non-standard delivery of the housing:

Standard enclosure in action	1-3 Working days
costume Product in action	3-10 Working days
costume Product on or action	10-20 Working days

Tip:

Do not hesitate to contact us for more details and electric quotes. Your request will be ready within 24 hours!
