Company Profile

High Quality Enclosure One-stop Service

SHENZHEN OMK ELECTRONICS CO.,LTD. is a professional manufacturer of plastic enclosures, specializing in the design and production of various types of plastic enclosures. The company has a complete set of production equipment and a professional technical team, providing customers with one-stop service from design to production. The company's products are widely used in various fields, including industrial control, medical equipment, and communication equipment. The company's products are of high quality and reliable performance, and the company has a good reputation in the market.

Product Features

SZOMK ABS plastic enclosures are made of high-quality ABS plastic, which is a thermoplastic material with excellent mechanical properties and chemical resistance. The enclosures are designed to protect electronic components from dust, moisture, and physical damage. They are available in various sizes and shapes to meet different application requirements. The enclosures are also easy to install and maintain, making them a popular choice for many industries.
