

Product Name	Plastic waterproof enclosure junction box with drilling
Model Number	AK-B-G340MF
External Size	201*122*81.5MM
Material	PC
IP level	IP65
Type	Connection Junction Box
Advantage	Sealed enclosure with the flanges for wall mounting
Function	Provides protection against dust and moisture
Feature	It possesses wear resistance, corrosion resistance, aging resistance
Application	Outdoor electrical equipment and PCB protective enclosures
Custom Service	Cuout,logo,color,silkscreen,label ,Acrylic sheet
