

80*65*30MM AK-BW-10 Outdoor Enclosure Waterproof Ip68 3 Way Plug Line Cable Connector Wire Range 4-15mm Power Cord Electrical Junction Box Connector

Product Name	Electrical junction box connectors
Brand Name	SZOMK
Model Number	AK-BW-10
Protection Level	IP68
Type	Junction Box
External Size	80*65*30MM
Wire Connect Type	3P
Material	Shell with PC material, waterproof connector PA66
Color	Black
Wire section	(0.5-2.5-3.4)mm ²
Min wire size OD	(4-8/9-12/12-15)mm
Supply voltage	24A / 450V
Application	Outdoor Power Cord External Sleeve Coupler Protection
Feature	Strong waterproof,High-quality materials,Wide Usability

Product Features

Waterproof Junction Box Connector : 3 wire (3-pole) M25 connector, Suitable for cable

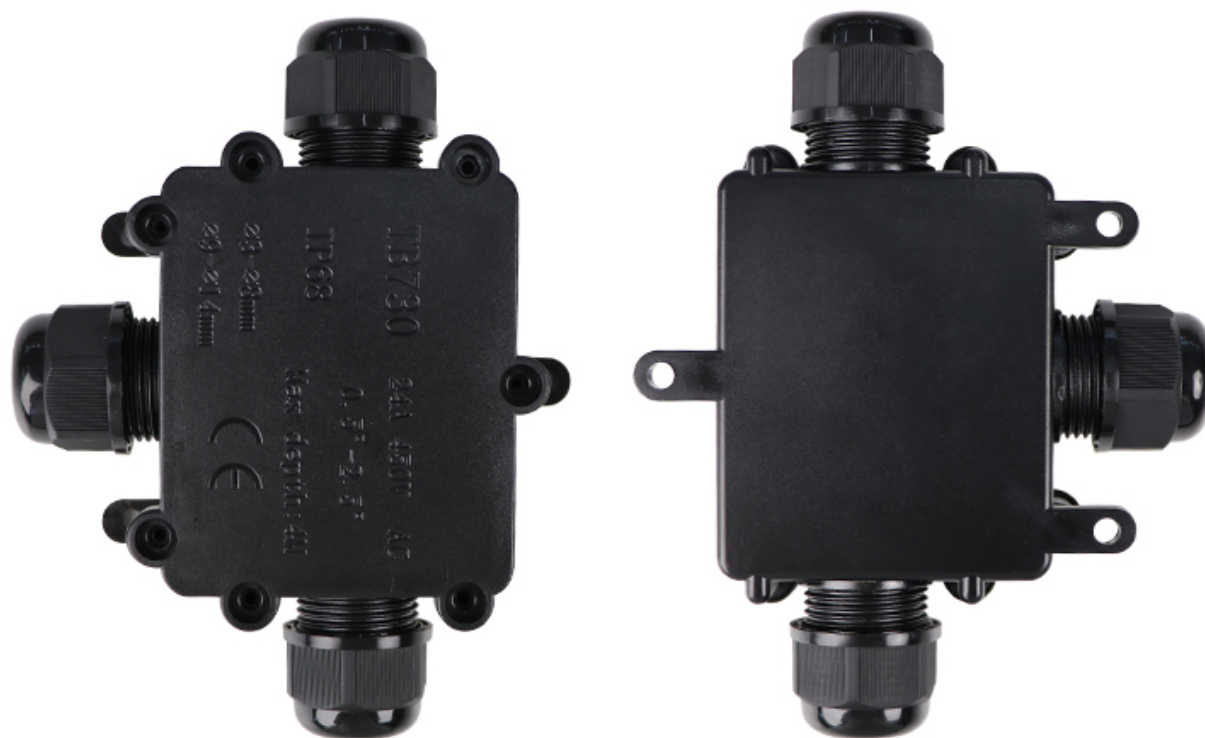

diameters of 4-8mm, 9-12mm, 12-15mm.

High quality material: Made of PC material, waterproof, dustproof, impact resistant, durable, sun proof, acid and alkali resistant, and non tearing. It performs very well in all aspects.

High-quality materials : The Electrical Junction Box all are made high quality plastic ,all pass TUV SAA CE ROHS , 100% weatherproof .

Suitable for LED billboards, LED tunnel lights, LED Road landscape lighting, LED outdoor display, LED garden lights, garden spike light and so on. Also, electrical junction box it can be installed in outdoor and indoor areas, gardens, and courtyards, making it very suitable for wiring and cable extension or maintenance. It is also applicable to coastal, river, marine or underwater projects, underground projects, mining projects, solar wind power generation, solar water heaters, and various mechanical equipment.
