

What can SZOMK do for you?

Main categories: plastic shells, aluminum shells, plastic injection molds, CNC products, 3D printing products

1, **Model 2000** One-stop shell of the factory, some commodities in our stock - **Subscribe: 1 item**

2. We can do it **DIY** Small order customization service-----**Subscription: 20-50 PCs**

3. We can design **Private customs** Case (if PCB is provided)

4. **Private mold** Custom (provides examples or step files)

6. **Customized services:** Cutting/mold/acrylic board/PVC label/silk screen/Laserengraving/sticker/Silicone/Cance color, very fast.

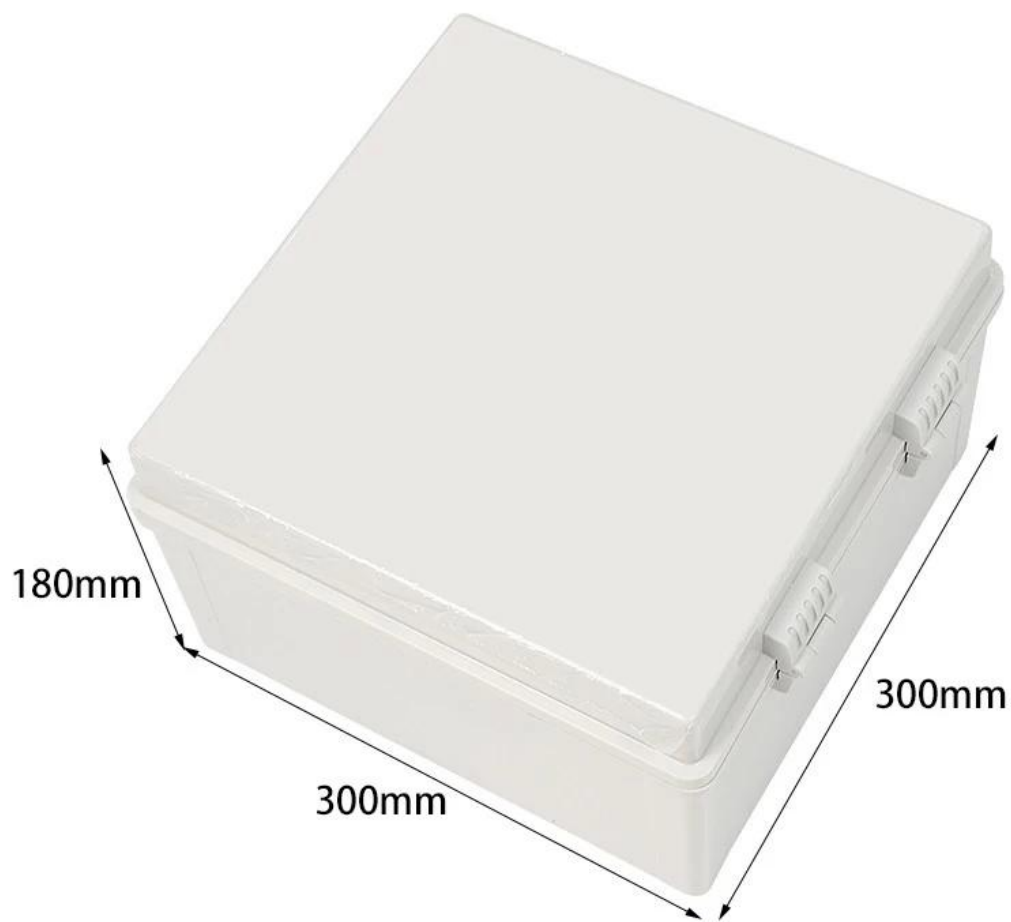

Contact Szomk- Provide expert technical advice for your PCB and electronic components and discover how easy it is to designate the perfect shell for your electronics. **Drawings are provided for each model.**

AK-Y-05A1 Outdoor Distribution Box Terminal Box Plastic Shell Electronic Enclosure Power Box Hinged Cover 300x300x180mm

product parameter	
Product Name	IP67 electrical housing hinge
model	AK-Y-05A1
type	Cable junction box
External dimensions	300X300X180MM
color	Gray
Material	ABS
feature	Installation board, waterproof, dustproof
Function	Special resistance to IMPACE, excellent electrical insulation
application	Outdoor electronic equipment
Custom Services	CNC holes, UV light, logos, oil paintings, PVC stickers, etc.
Drawing format	2d/3d/cad/dwg // step/pdf/igs
Certificate	IP67/CE/ROHS/ISO9001

☐Excellent durability☐ - SZOMK The outdoor junction box is made of high-quality ABS material, with excellent shadow resistance and excellent electrical insulation properties.
(PS: Opacity ABS material, transparent upper PC material)

IP67 Rated Waterproof] - The electrical housing has an IP67 waterproof and weatherproof design that provides superior protection against water, rain, dust, snow, oil, UV and other environmental factors. This sturdy design makes it ideal for use in indoor and outdoor environments, ensuring your electrical equipment is protected from harsh conditions.

☐Easy to install☐ - With a mounting plate for easy installation, various devices can be easily installed, saving you valuable time and effort.

☐Easy to use☐ - Our project box has a simple hinged lid that can be opened and closed easily and provides a reliable watertight sealed latch that makes maintenance and operation easy.

☐Suitable for DIY projects☐ - This sturdy plastic power waterproof box is easy to drill and can be molded to suit your specific needs, making it ideal for creative DIY projects.
