Here is a conference for you when you want to place your batch order.

- It takes approximately 18-20 working days to produce the batch order.
- The delivery date is approximately 3-5 working days, due to the virus and will have 1-2 delays
- For previous customers he said, 3-5 working days are needed to assemble the PCB.
- For the other conference, it is best to prepare 10 days for the stock.

[Here is our catalog \(plastic\):](https://drive.google.com/open?id=1I_2a-n5qiicFol3nWW3k4BwBu3rBUM_D)

We rely on the function to distinguish the case in different series. I check your website, you design a lot of PCBs first, I think there is a suitable type for you.

Like the DR series, it is for Din rail fence. If you want to make a personalized service such as: designing private fences, making custom cutouts, screen printing logo etc.

We can solve it for you at once, saving you time and money
